Confidential & Urgent.

Office of the Deputy Commissione
Chitaldrug District,
Dated Camp Davangere 8th Jun

Mr. G.A.Narayana Setty, B.A.,LL.B.,
I/c Deputy Commissioner.

Dear Sir,

In continuation of my letter of even No. dated regarding the mal-menagement of food rationing at Davangere town, I write to state that in order to break the clique prevailing in the rationing establishment, I transferred two Food Inspectors by name G.N.Ajjappa and S.Lakshmana Rao as Special Revenue - Inspectors to Molakalmuru and Jagalur Taluks respectively and the Rationing Officer was requested in my Memo No.C.122/46-47 dated 1st June 1947 to relieve the officials at once giving - them instructions that they should join in their new places before 6th instant. He was also intimated not to send any - representations for their retention. In spite of this he has reported in his No.ROC.355/46-47 dated 4-6-1947, stating that the officials cannot be relieved for the present as they are entrusted with compilation of accounts and checking of ration-cards and the matter has been reported to your office to keep my order in abeyance. He has posted this report to me 3 days later with a definite purpose that I may not take immediate action to bring him to order. A copy of his report is herewith enclosed for your kind information. So far he has not relieved them.

The two Revenue Inspectors who are transferred from Davangere Taluk to occupy the places of Food Inspectors - attached to the Rationing Office are already relieved by the Amildar and the Ration Officer has refused to take one of them by name Chikkaveeriah when he reported himself for work. Copy of his refusal No.ROC.355/46-47 dated 6-6-1947 endorsed to this Revenue Inspector is also enclosed herewith. The defying - attitude taken up by the Ration Officer in floating my orders is high-handed and the insubordination shown by him needs to be stopped at once. It corroborates my strong suspicion that he requires the services of these two Food Inspectors, while checking the accounts of his office and the sales depots to screen his

P.T.O.

his serious faults, a few of them have already been mentioned in my last report. If he is straight-forward in his dealings, could have relieved them at once.

As the Deputy Commissioner is the direct controlling authority over the Rationing Officer, he cannot disobey the orders of my office and it cannot be tolerated. His insubordination is derogatory to the self-respect of the Deputy Commissioner's seat. I request that his conduct may be viewed seriously and the Government may kindly be moved to take disciplinary action against him. Further, a message may kindly be sent to him to carry out my orders immediately.

This morning at 8.00 A.M. I sent a Memo bearing No. C. 130/46-47 dated 8th June 1947 stating that I will be visiting the Emergency Depot today at 9.30 A.M. when my peon approached him in his house to take delivery, he has refused to take it and he has gone to Chitaldrug without obtaining previous permission. His explanation is called for separately. He is avoiding me in inspecting his ~~defects~~. Emergency Depots.

The Ration Officer has been here since nearly four years and he commands no respect in the town. His control over the Rationing staff is loose. He has failed in his duties in checking the un-authorised issues as he himself is found to be guilty of un-authorised issue of kerosene oil and sugar as already reported.

The food depots have not maintained the accounts properly and unauthorised issues are noticed in many cases in the depots already checked. I, therefore, submit that it is undesirable to continue him as a Ration Officer in a big town like Davangere and that he may be transferred elsewhere.

The Superintendent and two clerks of my Food Section are checking the accounts of the Central Depot and the Sales Depots since four days.

With my regards,

Yours sincerely,
Sd/- G.A. Narayana Setty,

K. Guru Dutt, Esquire, B.A.,
Director of Food Supplies in Mysore,
Bangalore.

Copy of the above is forwarded with compliments to the

Letter no L1-8140/46-47 dt 12.9.1947 (Received on 16.9.47) from the Director of Food Supplies forwarding a report regarding the alleged complaints against the Rationing Officer, Dawanagere town.

(A copy of this letter was forwarded to the Food Secy for information and necessary action)

10) In his Confidential letter no C.122/46-47 dt 9.6.1947 to the Director of Food Supplies, Mr. G.A. Narayana Reddy, ~~[illegible]~~ Asst Commr and I/c. Deputy Commissioner Chikkaballapur District, made the following Complaints against Sri K. Venkatrama Naik, Asst Commr working as Rationing Officer, Dawanagere town:-

(a) that Sri Venkatrama Naik was insubordinate to him

(b) that "the defying attitude" taken by Sri K. Naik in flouting his (i.e. D.C's) orders to transfer 2 Food Inspectors from the Rationing Office, Dawanagere (Viz; Messrs G.N. Appaya and S. Lakshmana Rao) as Special Revenue Inspectors to Malleshwaram and Jagalur taluks respectively is "derogatory to the self respect of the D.C's post"

(c) that the Food depots at Dawanagere have not

maintained the accounts properly and that unauthorised issues of rationed articles have been noticed in many cases in the opinion that it is undesirable to continue Mr. Naik as Rationing Officer, Davangere and that he might be transferred elsewhere. He further recommended that Government might be moved to take disciplinary action against the Rationing Officer.

Pg II ⊗ 12) Subsequently a Complaint alleging that the food situation in Davangere town was getting worse and that one of the food depots was being mismanaged appeared in the Tai Nadu " dt 26.7.1947

13) Both the above complaints were referred to the D.I.S and he was asked to send a detailed report in the matter. (vide his official letters dated 1.7.1947 and 7.8.1947).

Flags K & I

14) The D.I.S has now forwarded a copy of the Deputy Commissioner's letter dated 22.8.1947 (Cf. Mr. H.N. Keelapur) and connected records. It is seen therefrom that the D.C. Chitaldrug has after making detailed investigations into the Complaints come to the Conclusion that " it is clear that some deviation from the rationing rules and regulations have taken place during 1946-47 and that

the Rationing Officer — Mr. Nsibe — should not have allowed the deviations to occur. He has also sent a statement showing the replies of the R.O. to the observations made in audit and the remarks of the D.C. thereon which is for perusal. The D.C has also stated that all the municipal depots in Dawanga are town have since been abolished and that in their place, Government depots have been opened. "Most of the food inspectors who were working under the Rationing Officer" (Mr Nsibe) have also been transferred.

15) The D.C. has pointed out that Mr Kiwanuka Nsibe has been in Dawanga for over three years i.e. from May 1944 and "of late" he has not been pulling on well with the public there. He has therefore ~~suggested~~ expressed the view that "it is better that he is transferred from that place" He has also proposed that it is better to insert some over higher local officer to exercise some control and supervision over the Rationing Officer and that instead of an Assistant Commissioner (as in the case of Mr Kiwanuka Nsibe)

a Senior Amildar may be posted as Rationing Officer, Davangere as this would enable the Sub Division Officer, Davangere to exercise control and supervision over the Rationing Officer.

16) The D.F.S has agreed with the Deputy Commissioner and has solicited orders in the matter.

18) The report of the D.F.S is for perusal.

2319 In view of the fact that Mr Krishna Naik has been at Davangere for a long time and as reported by the D.C. spent his boyhood there, and that he is not pulling well with the public, both the D.C. and the D.F.S have recommended his transfer from that place. The D.F.S has recommended that a Senior Amildar may be posted in his place. The forme proposal will have to be dealt with in the C.B., and the latter in consultation with the Rev Secy. 19) I agree with the Director of Food Supplies. It is desirable to transfer Mr.Krishna Naik from Davangere. It may be kindly approved.

20) As regards posting of a senior Amildar in his place to Davangere as Rationing Officer, I had a talk on the phone with the Director of Food Supplies. He suggested a panel of three names. They are:

(1) Mr.A.M.Gopala Rao who has recently been posted as Amildar, Holalkere Taluk;

(2) Mr.K.S.Krishnaji Rao, Amildar, Honnali;

(3) Mr. Narayanamurthy, Amildar, Holenarsipur.

21) Of the three, he was of the opinion that Mr.A.M.Gopala Rao would be the most suitable person because he has ample experience of food administration as he was till recently Assistant Rationing Officer at Bangalore City. I agree with the Director of Food Supplies and it would be therefor desirable to post Mr.Gopala Rao as Rationing Officer, Davangere.

Final note by the Chief Minister.

Subject:— Complaint against Sri L. Krishna Naik, Assistant Commissioner.

====

1. In his confidential letter No.C 122/46-47, dated 9-6-1947 to the Director of Food Supplies, the In-Charge Deputy Commissioner, Chitaldrug District, made the following complaints against Sri L. Krishna Naik, Assistant Commissioner, working as Rationing Officer, Davangere:

a) that Sri Krishna Naik was insubordinate to him;

b) that the defiant attitude taken by Sri Krishna Naik in flouting his (i.e. Deputy Commissioner's) Orders to transfer two Food Inspectors from the Rationing Office, Davangere, viz. Messrs G.N. Ajjappa and S. Lakshman Rao, as Special Revenue Inspectors to Molakalmuru and Jagalur Taluks, respectively, was derogatory to the self-respect of the Deputy Commissioner;

c) that the accounts of the food depots at Davangere had not been maintained properly and that unauthorised issues of rationed articles had been noticed in many cases.

2. Subsequently, a complaint alleging that the food situation in Davangere Town was getting worse and that the food depots there were being mismanaged etc. appeared in the press also. Both the above complaints were referred to the Director of Food Supplies for sending a detailed report in the matter.

3. After detailed investigation, the Deputy Commissioner has come to the conclusion that some deviations from the Rationing Rules and Regulations have taken place during 1946-47, when Sri L. Krishna Naik was Rationing Officer, Davangere, and that the replies furnished by the Officer to the several observations made in audit, are unsatisfactory. He has further stated that Sri Krishna Naik when he was studying in Davangere, was depending for his food and education on a number of philanthropic gentlemen of that place and that the deviations which he should not have allowed to occur, might be due to the fact that he succumbed to a sense of local obligation.

4. As Sri L. Krishna Naik was working in Davangere for over three years and had not been getting on well with the public latterly, the Deputy Commissioner suggested that it was better to transfer him from that place and invest some other local officer with power to exercise supervision over the Rationing Officer and that instead of an Assistant Commissioner, a Senior Amildar might be posted as Rationing Officer, Davangere, as this would enable

enable the Sub Division Officer, Davangere, to exercise control and supervision over the Rationing Officer. The Director of Food Supplies then solicited orders on the findings of the Deputy Commissioner with which he has generally agreed.

5. Orders have since been issued transferring Sri Krishna Naik as Sub Division Officer, Madhugiri Sub-Division and posting Sri A.H. Gopala Rao, Acting Amildar, Holalkere Taluk, as Rationing Officer, Davangere.

6. As the replies furnished by Sri L. Krishna Naik to the Deputy Commissioner, Chitaldrug, regarding the distribution of rationed and controlled commodities in Davangere Town during 1946-47, when he was Rationing Officer, were considered to be not satisfactory and as the irregularities pointed out by the Deputy Commissioner are of a serious nature, the Director of Food Supplies was consulted regarding the disciplinary action to be taken against him. The Director of Food Supplies suggested that Sri Krishna Naik might be administered a warning and that his next increment deferred for one year.

7. The subject was discussed at a meeting of the Council of Ministers on 20th May 1948 when it was decided that Sri L. Krishna Naik may be warned.

8. I solicit the gracious approval of His Highness to the above decision of the Council.

Replies of the Rationing Officer	Remarks
The abstracts of the Depo and Societies have been checked very now and then and initialled i the Stock Register.	The Sales Abstracts do not show any evidence of Inspection.
Due discretion has been ercised in accordance with Director'letter No. 22-263/44 dated 28-3-45 iegard to issue of sugar to "B" Car	The point observed is not answered. General unauthorised allotment to B card-holders has increased the demand and also issue of sugar. This should not have been done.
Distribution was entrusteo the Municipality. Check of sk on hand and of issues were made e y how and then and found satisfacto As no complaints were made by t public, it was felt that everythi was going on smoothly. Municipal ots have never exceeded their quot	The work of equitable distribution according to the scale of rations prescribed by Government from time to time rests only with the Rationing Officer. The issue of sugar by entry of false card numbers is not answered.
The requirement of sugar origin- ally 441 maunds. By scru y and other means the issues re brought down to less than 240 mau. On a complaint to the then Dep Commissioner by several Hotel Prietors, instructions were given tssue complete quota as per their ls.	Scrutiny could have been continued to be exercised even after October 1946.
In November 1946 there we tocks of deteriorated Bengal Gram he Co-operative Societies and Mipal Depots. There was also avy stock in the Reserve Depot. Tepose of the heavy stock in the Re Depot, the authorities of the Sties and the Municipality were inted about the allotment of Bengal made to them. They were not prel to receive the gram at that t So delivery was given to the ants who were usually supplying go Kadle Bhatties. This was donh the knowledge of the Societid Municipality.	The explanation given for adopting a dubious method to give delivery of gram to merchants is not convincing.
As the condition offried gram was bad, the Amildavangere, the Co-operative Societid Municipal Depots refused te delivery. So these merchare asked to sell the same to the n card holders.	Whether a notification was issued to card-holders to the effect that fried gram was available for sale with these merchants has not been stated.
These have been issued ttions, i.e., marriages and re gn- ction after due considerati necessity of the large pub this town.	This issue is exclusive of regular monthly allotment to depots, special permits and license-holders.

Remarks on the Replies of the Rationing Of

Rationed & Controlled Co

Subject.	Observations
I. Distribution of Rstioned Commodities.	Action taken to see whether distribution through Municipal Depots and Co-operative Societies was being done satisfactorily and in conformity with the Rationing Rules may be stated.
	General allotment of sugar to "B" Class cardholders is opposed to rules.
	Heavy issues of sugar in one of the Municipal Depots by entry of false card numbers in the sales abstracts.
	Increase in sugar offtake to hotels from 240 maunds to 340 maunds from October 1946.
II. Bengal Gram.	Bills have been made out in the name of Co-operative Societies and Municipal Depots. Money has been collected from two merchants and gram is delivered to them.
	1) Why were bills made out against Societies and Municipality, when actually money was received from merchants?
	2) Whether an appropriate quantity of "Hurigadale" was delivered to the Societies and Municipal Depots by the Merchants?
III. Kerosene Oil.	692 tins of K.Oil have been sold by wholesale agents on the authority of slips issued by the Rationing Officer.

This is not according to rules. As per circular 'B' class card holders are not entitled to sugar in view of sugar position and he is issuing @ ½ Vis to all the 'B' class card holders — Very Serious

& R.O's report is not satisfactory & he has not answered the point

Point for serious note ordered Could have been obtained for doing this instead of teaching the Societies by the Rationing authority

The R.O. has acted independently and exceeded his powers as per rules —

The order given be if any requisites to be verified

RSR/2

DISTRIBUTION OF RATIONED AND CONTROLLED COMMODITIES IN DAVANGERE TOWN DURING 1946-47.

I. INTRODUCTORY:-

1) Distribution of all Commodities was being made through the Agency of seven Municipal Depots and 12 Co-operative Societies which were fed by the Reserve Depot, Davangere.

2) Kerosene Oil was being supplied to the above depots and Societies by four wholesale agents direct. The quota for each depot was fixed by the Rationing Officer both in respect of food grains and Kerosene Oil.

3) The distribution of fine varieties of cloth was being made by 107 retailers on the authority of slips and coupons issued by the Rationing Officer.

II. DISTRIBUTION OF FOODGRAINS:-

1) The Sales Abstracts of the Depots and Societies do not bear evidence of periodical check and supervision by responsible officers of the Rationing Department. Action taken to examine whether the distribution through Municipal Depots and Co-operative Societies was being done satisfactorily and in conformity with rationing rules, may be stated.

2) Sugar is seen to be generally allotted to "B" Class Cardholders. This is opposed to rules. This allotment would result in increasing the allotment to the Depot. This inflated quantity of normal requirements rendered irregular issues being made by some depot clerks. How a general allotment of sugar was made to "B" Class Cardholders is to be stated.

3) Annexure I shows some instances of heavy issues of stock made in the Depots. The authority for these issues is to be stated in each case. In "E" Depot (IV Ward) large issues of sugar have been made by entry of false card numbers in the Sales Abstract. The following is an example:-

Card Ledger Folio No.	Monthly Allotment	Issues made in May 1947	Issues noted in the Ration Card.
12 (Hotel Card)	4 Mds. of Sugar.	(1) 5th May 2 mds. (2) 9th May 4 mds. (3) 13th May 3 mds. (4) 16th May 2 mds. (5) 28th May 5 mds.	5th May 2 mds. 16th May 2 mds.
		Total 16 mds.	Total 4 mds.

Issues on 9th May, 13th May and 28th May aggregating to 12 Mds. have evidently not reached the card-holder and it is likely that this quantity is otherwise disposed of.

Heavy issues are also made with the remark in the Sales Abstract as "R.O.*. It was explained that these represented the issues made on the authority of slips from the Rationing Officer. The slips were however not produced.

A review of the Sales Account of this Depot for 46-47 reveals that the consumption of sugar which was less than 5000 seers till end of October 1946 rose suddenly to 8000 seers in November 1946 and reached the peak of 10,286 seers in December 1946. In May 1947 also the issue was 9617 seers. It is significant to note that the consumption resumed its normal level in June 47, the next month itself. Why these were not observed and suitable remedial action promptly taken may be stated.

4) The monthly off-take of sugar for Hotels in Davangere Town was less than 240 maunds before September 1946. Thereafter, it suddenly increased by One hundred maunds. The reason for this abnormal increase is to be clearly explained.

5) Bengal Gram:- Annexure II shows issues of Bengalgram to certain parties against the account of co-operative societies and Municipal Depots. Bills have been made out by the Reserve Depot in the name of Co-operative societies and Municipal Depots but gram has been delivered to parties other than the institution billed for. It was also stated that the value of

gram so delivered was recovered from (1) Mr. Maganoor Basappa and (2) Messrs. Kasala Ananthappa & Sons. These two merchants have also received 120 bags and 63 bags ~~reply~~ respectively on 3-12-46 and 13-12-46 for conversion into 'Hurigadale' and delivery to Rural Depots towards Amildar's quota.

The following points need clarification:-

(1) Why were bills made out against Societies and the Municipality when actually money was received from Messrs. Kasala Ananthappa & Sons and Mr. Maganoor Basappa.

(2) Whether an appropriate quantity of 'Hurigadale' was delivered by the above two merchants. If so, the quantity so delivered, the names of depots and the dates of delivery is to be intimated.

III. DISTRIBUTION OF KEROSENE OIL:-

Kerosene Oil:- During the year 1946-47, 692 Kerosene Oil tins have been sold by wholesale agents as under, on the authority of slips issued by the Rationing Officer:-

Messrs.		
(1) I.C. & Sons	50 tins	April 1947
(2) V.R.Valwalkar	480 tins	July 46, August, September 133 128 31 Novr. Decr. Jany. Feby. 56 69 61 2
(3) B.T. Ltd.	147 tins	Oct.46, May June. 87 52 8
(4) V.G.Setru	15 tins.	March 1947.
Total ..	692 tins.	

The above is exclusive of Regular monthly allotment to Depots, Special permits, and License holders. The circumstances that necessitated the issue of such a large quantity of 692 tins has to be clearly explained.

IV. DISTRIBUTION OF FINE CLOTH:-

Annexure III contains a list of issues of fine cloth by retailers on the authority of Chits issued by the Rationing

Rationing Officer with the remark "No Coupon - issue".

The need for issue of such slips to ~~dx~~ individuals whose names also were not noted requires explanation.

V. Annexure IV shows the quantities of rationed articles issued in the Municipal Depots for 1946-47 as on the authority of Rationing Officer's Slips special permits for which a special ~~ka~~the is kept in the Depot. The reason for such large issues may be clearly explained.

G. R. Pallegar

No.R.C.C.3,1/47-48. Office of the Rationing Officer,
Davangere, dated, 8-8-47.

To
The Deputy Commissioner,
Chitaldrug District,
Chitaldrug.

Sir,

With reference to your D.O.letter No.Fl.P.R.45/47-48 dated 4-8-47 in the matter of submission of my report on certain points observed with regard to the distribution of rationed and controlled commodities in Davangere Town, during the year 1946-47, I beg to state as follows:-

1) I have checked the abstracts of the Depots and Societies every now and then and initialled in the stock registers of the depots and societies. I have also duly instructed the Food Inspectors to check and supervise the depots and societies regularly and after verification I have found that they have duly carried out my instructions.

2) Regarding this para, I have submitted a report with this office No.R.C.C.377/46-47 dated 26-6-47 enclosing the copy of the instructions received by the Director of Food Supplies in Mysore, Bangalore, stating to use due discretion with regards the issue of Sugar to "B" Class.

3) The distribution of rationed articles was entrusted to the Municipality by the Deputy Commissioner after abolishing the five Government depots which were formerly existing and doing the distribution work. The Municipality had seven sales depots. These depots were managed by the President and the Municipal Councillors with their own staff. The required total quantity of rationed articles used to be issued to the Manager appointed by the President and these articles were issued to the cardholders through the seven depots. As I have already stated in Para 1, I used to check the stocks on hand and the issues made every now and then and found them satisfactory. Since the depots were being managed by the President with the assistance of the Councillors and since no complaints were made to me by the public whenever I went round the town, I was satisfied that everything

was

was going on smoothly. Further, I submit that the Municipal Depots and Societies have never exceeded their quota or on the other hand the actual issues were less than the required quotas.

On several occasions I have to issue Sugar to "B" Class card-holders with due discretion and the directions used to be written on the concerned card itself. The clerk while issuing, instead of writing separate bills, might have given a consolidated bill with the remarks "R.O."

As regards the increase of sugar quota in E Depot, I beg to state that formerly all the hotel-cards were assigned to the Emergency Sales Depot. But as per the instructions given by the then Deputy Commissioner, these cards were assigned to the depots. So, the increase of sugar is the result of this.

4) Formerly, when I took charge, the requirement of sugar to hotels was 441 maunds. By scrutiny and other means, the issues were less than 240 maunds. But several hotel proprietors complained to the then Deputy Commissioner at Davangere Camp stating that their sugar quota was not issued completely. So, the instructions were given by the Deputy Commissioner to issue the complete quota as per their cards. So, the excess of sugar is due to this reason.

5) ISSUE OF BENGAL GRAM:- Since the beginning, whenever any allotment of pulses given to me for distribution I used to distribute them through the societies and Municipal Depots to the card-holders. By the time of November 1946, there was large quantity of Bengal Gram remaining in several societies and depots and which was already deteriorated. At this time, there was also a large stock of Bengal gram at the Reserve Depot as well as in the District Reserve Depot. So, orders were received by the Deputy Commissioner to dispose of this deteriorated stuff to several "Bhatti people" for converting them into fried-gram. Then, I called on the authorities of the societies and depots and expressed about the allotment of Bengal-gram made to their societies

and depots and also explained them to convert the gram into fried-gram and issue to the card-holders without incurring any loss thereby. But they pleaded that they were already incurring a heavy loss from Bengal-gram and as such they would get their own deteriorated stuff converted into fried-gram for the distribution to the public. They promised to take up gram as per allotment after their original stocks being exhausted with them. Then I suggested one thing to the authorities, that Messrs. Maganur Basappa and Kasala Ananthappa & Sons who were usually supplying gram to the "Kadle Bhatties" for necessary conversion, might be given the gram allotted to each of these Societies and Depots for conversion into fried-gram and getting it back from these merchants. Then they agreed that the gram might be given to these two merchants after the amount being recovered then and they would purchase the fried gram as per their allotment from them. I also sent word to these merchants and asked about their consent whether they were agreeable to the above proposals. They also pleaded about the short yield of the fried gram owing to the condition of the gram and they said that they would give the fried gram at two seers per rupee as per Deputy Commissioner's Notification. As worked out, the yield was up to 2½ seers per rupee and thereby I pursuaded them to give the same at that rate. Then they agreed and the whole stock was given to them and the complete cost being recovered from them on behalf of the Societies and Depots. When gram was converted into fried-gram some depots have taken some quantity of fried gram and some have not because of the bad quality and condition of the stuff.

These two merchants complained about the disinclination of taking delivery of the fried gram as per allotment by the Societies and depots. I examined the stuff in several societies and depots and found heavy quantities of fried-gram remained with them and asked the merchants to sell the same to the ration card holders. Even now the old fried gram is with the societies

and

and depots unsold owing to its quality.

As regards the quota of the Amildar, the gram was issued to these merchants and I requested the Amildar to take delivery of the fried gram from them for distribution in rural parts. But even the Amildar refused to take the delivery of the fried-gram as its condition was bad. I have done this in "good faith" to see that the gram is distributed to the consumers in the form of fried gram at least as the Bengalgram was completely deteriorated and was not in fit condition for consumption.

III. DISTRIBUTION OF KEROSENE OIL:- Re: Issue of 692 tins of Kerosene Oil issued in the year 1946-47, I beg to state that these tins have been issued to functions such as marriages and religious fuctions. This issue of special permits was made after due consideration of necessity of the large public of this town.

IV. DISTRIBUTION OF FINE CLOTH:- As regards the distribution of fine cloth, I beg to state as follows:-

Formerly, the distribution of cloth was made by the Municipal President on the basis of cloth cards issued by the Municipal Authorities. There was no Government Order to get distributed through the Government Agency for nearly 5 months. -From August 46 to the end of December 46. Then regular instructions were received to distribute the cloth cards by the Rationing authorities. For writing up of cards and assigning them to several retail shops it took nearly two months. So, within these seven months, I have issued special coupons as "no-coupons" satisfying myself that they had not received the cloth cards and the fine cloth include shirting, coating, sarees, towels, etc.

Secondly, after distributing the cloth cards orders were received by the Deputy Commissioner stating that cloth cards should not be issued to temporary card-holders, students messing

in hotels and to hotel establishments. To such of the above members, I have issued dhoties, coatings, shirting, sarees, etc. out of necessity and within the prescribed yardage. As regards the objection "Why the names have not been written" on the slips, I remember that I might have written the names, "T.C. holder" no coupon, etc., just to minimise writing in times of rush of people and pressure of work and I assure you, Sir, that this work was got done with great care, consciousness and honesty.

In conclusion, I beg to submit that in all these affairs, I have worked with the best of intentions and with a view to help the public in this complicated and unpleasant matters of distribution of rationed articles and cloth. Further, I can assure you, Sir, that I have been working most sincerely and consciously throughout my career to the satisfaction of the authorities.

I beg to remain,

Sir,

Your most obedient servant,

The Deputy Commissioner is of the opinion that it is better to transfer Mr. Krishna Naik as he is not pulling on well with the public and also as he has stayed in Davangere for over three years.

The Deputy Commissioner also proposes that it is better to invest some other higher local officer with the power to exercise some supervision over the Rationing Officer and that instead of an Assistant Commissioner, a Senior Amildar may be posted as the Rationing Officer, Davangere as this would enable the Sub Division Officer, Davangere to exercise some control and supervision over the Rationing Officer.

I agree with the Deputy Commissioner regarding these points and solicit early orders of Government in the matter.

The enclosures may be kindly returned along with orders of Government.

I have the honour to be,
Sir,

DIRECTOR OF FOOD SUPPLIES.

D.O. Letter No.F.S.2 dated 22-8-47 from the Deputy Commissioner, Chitaldrug District to the Director of Food Supplies in Mysore, Bangalore.

Distribution of Rationed and controlled commodities in Davangere Town.

In reply to your letters noted in the margin and in continuation of this office No. D.O. Fl.PR.45/47-48 dated 4th August 1946 re. the subject noted above, I write to state that the Account Superintendent and the Audit Superintendent with two clerks of my office were deputed to collect information from the Rationing Depots in Davangere Town.

1. D.O. No. Cl.8240/46-47/Encl.1 dated 13-6-1947.
2. D.O. No.El.1/47-48 dated 1st July 1947. One Paper Cutting.
3. Memo No.Pol.8/C.154-47-48 dated 15-7-47.
4. Articles in "Karnata Bandhu" dated 16-7-47.
5. El.76/47-48 dated 19-8-47. One Paper Cutting.

The observations made by them were sent to the Rationing Officer, Davangere Town, for submitting his replies. I enclose herewith for kind perusal a brief review of the observations made by them, the replies of the Rationing Officer to these observations, and my further remarks.

It is clear that some deviations from rules and regulations have taken place during the period. These are explained to have been done with the best of intentions and with a view to help the public. The Rationing Officer should not have allowed these deviations to occur.

Mr. Krishna Naik is the Rationing Officer of Davangere from 12-5-44. He belongs to Banjar (Depressed Class) Community. I understand that in his early days when he was studying in Davangere he was depending for his food on weekly houses and he got himself educated by the kindness of a number of philonthropic gentlemen. It may be that the deviations have some bearing on this fact also as he could not possible disoblige these people.

The Press Cuttings received with your D.O. dated 1-7-47 and 19-8-47 are herewith returned.

A copy of the observations made by this office and a copy of the explanation furnished by the Rationing Officer are enclosed for favour of perusal. All the Municipal Depots have been abolished and Government Depots have been opened in their places. Most of the Food Inspectors who were working under the Rationing Officer have been transferred.

Mr. Krishna Naik is in Davangere for over three years, i.e., from May 1944 and, of late, he is not pulling on well with the public there. It is better that he is transferred from that place.

In this connection, I may suggest that instead of an Assistant Commissioner, a Senior Amildar may be posted as the Rationing Officer, Davangere. This would facilitate the Sub Division Officer, Davangere, to exercise some control and supervision over the Rationing Officer. Instead of leaving the Rationing Officer to manage the affairs himself to the best of his judgment, it is better if some other higher local officer is invested with the power to exercise some supervision over the Rationing Officer. This will have a healthy and restraining influence.

Subject:- Complaints against Mr.L. Krishna Naik, Asst. Commr.

Council File No. 114
For Consideration at a Meeting of Council
O/C 119

In his confidential letter No.C.122/46-47, dated, 9-6-1947, to the Director of Food Supplies, the In-Charge Deputy Commissioner, Chitaldrug District, made the following complaints against Mr.L.Krishna Naik, Assistant Commissioner, working as Rationing Officer, Davangere:-

H.H. No. 1308
21-6-47

a) that Mr.Krishna Naik was insubordinate to him;

b) that the defying attitude taken by Mr.Krishna Naik in flouting his (i.e., Deputy Commissioner's) Orders to transfer two Food Inspectors from the Rationing Office, Davangere, viz., Messrs.G.N.Ajjappa and S.Lakshman Rao, as Special Revenue Inspectors to Molakalmuru and Jagalur Taluks, respectively, was derogatory to the self-respect of the Deputy Commissioner's seat;

c) that the food depots at Davangere had not maintained the accounts properly and that unauthorised issues of rationed articles had been noticed in many cases.

2. Subsequently, a complaint alleging that the food situation in Davangere Town was getting worse and that the food depots there were being mismanaged etc., appeared in the Press also. Both the above complaints were referred to the Director of Food Supplies and he was asked to send a detailed report in the matter.

3. Accordingly, the Director of Food Supplies forwarded a copy of D.O. letter No.FS.2, dated, 22-8-1947, from the present Deputy Commissioner, Chitaldrug District -- Mr.H.N.Pallegar -- and connected records. After detailed investigation, the Deputy Commissioner has come to the conclusion that some deviations from the rationing rules and regulations have taken place during 1946-47 when Mr.Krishna Naik was Rationing Officer, Davangere, and that the replies furnished by the Officer to the several observations made in audit, are unsatisfactory.

p.t.o.

All the Municipal Depots in Davangere Town have since been abolished and in their place, Government Depots have been opened. Most of the Food Inspectors who were working under Mr.Krishna Naik, have also been transferred. He has further stated that Mr.Krishna Naik, when he was studying in Davangere, was depending for his food and education on a number of philanthropic gentlemen of that place and that the deviations which he should not have allowed to occur, might be due to the fact that he succumbed to a sense of local obligation.

4. As Mr.Krishna Naik was working in Davangere for over three years and had not been pulling on well with the public latterly, the Deputy Commissioner suggested that it was better to transfer him from that place and invest some other local officer with power to exercise supervision over the Rationing Officer and that instead of an Assistant Commissioner, a senior Amildar might be posted as Rationing Officer, Davangere, as this would enable the Sub Division Officer, Davangere, to exercise control and supervision over the Rationing Officer. The Director of Food Supplies has solicited orders on the findings of the Deputy Commissioner with which he has generally agreed.

5. Government Orders have since been issued posting Mr.A.N.Gopala Rao, Acting Amildar, Holalkere Taluk, as Rationing Officer, Davangere, in view of the fact that he had experience of food administration as he was till recently Assistant Rationing Officer, Bangalore City. Mr.Krishna Naik has also been transferred as SubDivision Officer, Madhugiri Sub Division.

6. As the replies furnished by Mr.L.Krishna Naik to the Deputy Commissioner, Chitaldrug, regarding distribution of rationed and controlled commodities

in Davangere Town during 1946-47, when he was Rationing Officer, are not satisfactory and as the irregularities pointed out by the Deputy Commissioner, are of a serious nature, the Director of Food Supplies was consulted regarding the disciplinary action to be taken against him. The Director of Food Supplies has now suggested that Mr.Krishna Naik might be administered a warning and that his next increment deferred for one year. This recommendation which had been accepted by the Minister for Finance and Industries and approved by the Dewan, was ordered to be disposed of by circulation.

7. In the course of the circulation of the file the Minister for Public Works and Agriculture, the Minister for Home and the Minister for City Municipalities and Muzrai have minuted as under:-

(1) Minister for Public Works & Agriculture:

"The Officer may be warned".

Id) H.S.
9.1.48.

(2) Home Minister.

"I am not satisfied with mere warning. He may be reduced and posted as Amildar".

Id) T.M.

(3) Minister for City Municipalities & Muzrai:

"I think the punishment is not adequate. However, since the Dewan and the Minister In-Charge have accepted the recommendation of the Director of Food Supplies, I do not like to differ from them".

Id) P.S.Chetty.
4.1.48.

8. In view of the divergent opinions expressed by the Ministers, the Chief Minister in-charge of the current duties of the Dewan has ordered that the question may be discussed at a meeting of the Council.

2. Subsequently, a complaint alleging that the food situation in Davangere Town was getting worse and that the food depots there were being mismanaged etc., appeared in the Press also. Both the above complaints were referred to the Director of Food Supplies and he was asked to send a detailed report in the matter.

3. Accordingly, the Director of Food Supplies forwarded, a copy of D.O. letter No. F.S.2, dated 22-8-1947, from the present Deputy Commissioner, Chitaldrug District -- Mr.H.N.Pallegar -- and connected records. After detailed investigation, the Deputy Commissioner has come to the conclusion that some deviations from the rationing rules and regulations have taken place during 1946-47 when Mr.Krishna Naik was Rationing Officer, Davangere, and that the replies furnished by the Officer to the several observations made in audit,

are unsatisfactory. All the Municipal Depots in Davangere Town have since been abolished and in their place, Government Depots have been opened. Most of the Food Inspectors who were working under Mr.Krishna Naik, have also been transferred. He has further stated that Mr.Krishna Naik, when he was studying in Davangere, was depending for his food and education on a number of philanthropic gentlemen of that place and that the deviations which he should not have allowed to occur, might be due to the fact that he succumbed to a sense of local obligation.

4. As Mr.Krishna Naik was working in Davangere for over three years and had not been pulling on well with the public latterly, the Deputy Commissioner suggested that it was better to transfer him from that place and invest some other local officer with power to exercise supervision over the Rationing Officer and that instead of an Assistant Commissioner, a senior Amildar might be posted as Rationing Officer, Davangere, as this would enable the Sub Division Officer, Davangere, to exercise control and supervision over the Rationing Officer. The Director of Food Supplies has solicited orders on the findings of the Deputy Commissioner, with which he has generally agreed.

5. Government Orders have since been issued posting Mr.A.H.Gopala Rao, Acting Amildar, Holalkere Taluk, as Rationing Officer, Davangere, in view of the fact that he had experience of food administration as he was till recently Assistant Rationing Officer, Bangalore City. Mr.Krishna Naik

Mr. Krishna Naik has also been transferred as Sub Division Officer, Madhugiri Sub Division.

6. As the replies furnished by Mr.L.Krishna Naik to the Deputy Commissioner, Chitaldrug, regarding distribution of rationed and controlled commodities in Davangere Town during 1946-47, when he was Rationing Officer, are not satisfactory and as the irregularities pointed out by the Deputy Commissioner, are of a serious nature, the Director of Food Supplies was consulted regarding the disciplinary action to be taken against him. The Director of Food Supplies has now suggested that Mr.Krishna Naik might be administered a warning and that his next increment deferred for one year. This recommendation has been accepted by the Minister for Finance and Industries now In-Charge of Food ~~and Civil~~ Supplies also and approved by the Dewan. The matter has been ordered to be disposed of by circulation.
